Epworth Village
a change for the better

Message from Margaret

As you can see by these pictures, construction is well underway on the renovations to Epworth Village's new office space at the York First United Methodist Church. This location will serve as the new hub for our services we provide to children and families. We are grateful for the support of the York FUMC in this process. The project completion month for the renovation continues to be slated for October; praying no unexpected situations arise. We look forward to providing you with tours of the new office during the Heart of the Matter dinner on Sunday, October 22. Speaking of Heart of the Matter, make sure to look over the informational flyer on page 3 and consider how you might be able to support Epworth through this event. Thank you and hope to see you soon at Heart of the Matter!

STAFF SPOTLIGHT

Brenda Lemburg

Brenda joined Epworth Village in February of this year working in accounting. She had recently retired from Good Samaritan Society in Osceola where she was the Office Manager for 21 years. Her position allowed her to do the work that she loved and to also be part of the everyday lives of the residents in care. She also previously worked for Pinnacle Bank in Osceola for 17 years. She really appreciates the history of Epworth Village and how many children and families have been helped over the years. She enjoys spending time with her husband Glenn, their four children and spouses, and their 16 and counting grandchildren! Brenda and her husband own thoroughbred race horses; and spend their free time traveling to the race track in Nebraska, Iowa, Oklahoma, and Arkansas to watch them run.

*Start thinking about
Christmas!*

During the month of December every year, with your help, we provide Christmas gifts for the families and children we serve. In order to make this Christmas extra special for all the families we serve, we are again asking for your help in sponsoring a family. Begin thinking how you might be able to help and give. We need help from you, our generous donors and churches, to make this Christmas an incredible one for the families served by Epworth Village. If you and/or your church are interested in sponsoring gifts for a family, please contact Julie Troy at 402-362-3353 or email her at jtroy@epworthvillage.org.

SUMMER 2023

Gifts of Grain

Gifting grain is unique and simple. The primary benefit is the significant tax benefits awarded to you.

All you have to do is designate a set number of bushels from your harvested crops to the Epworth Village Foundation, notify us of the gift, and the bushels will then be sold with the proceeds coming directly to the Foundation.

Please contact me with any questions. I hope you will consider joining me in making a lasting gift for children and families in need.
